

## Home Inspector Training

Following is a list of training facilities physically located in Arizona that the Board has been made aware of, and that meet the established criteria to provide home inspection training. Provision of this information is not to be construed as an endorsement of, or advertising for, any facility, nor is this list intended to be a complete listing of acceptable training facilities.

Applicants seeking training should review rule R4-30-247(A)(6) and check with any training facility considered to see if the facility qualifies under that rule. Many facilities located outside Arizona and/or offering long distance education may also meet the criteria specified in R4-30-247(A)(6).

It is the applicant's responsibility to determine whether a facility they select is accredited by one of the accrediting bodies identified in Rule R4-30-247(A)(6).
